2. Registration

2.1. Athletes

For registration you need a team / club account on the Ju-Jitsu system which can also be used as an individual account.

Users which already have registered a team / club account, please re-use your account. In this case you can also re-use all your competitor's profiles.

For teams that have no account yet, please register online and create a new team / club account here:

https://www.sportdata.org/ju-jitsu/set-online/registrate_registrator_main.php?active_menu=registration

For registration of competitors please follow these steps:

- Log in with your account
- Check your team data. Please check if the data is correct and up to date

Duo Ju-Jitsu e-sport Event 2020

www.sportdata.org

- Enter or update the data of your competitors if necessary.
- In the event calendar search for the eTournament event you want to register for and click on the "Registration" button of the event
- On the registration site you will see the functions to make new entries
- Register your competitors

If you have any questions please check the online help and video tutorials:

https://www.sportdata.org/etournament_tutorials.html

Entries will be confirmed from the waiting list when the Paypal payment process is completed!

There will be no refunds after the registration period is closed.

3. Tournament schedule

- The event is divided into 2 phases:
 - Elimination: 24-25 October
 - Finals: 30 Oct – 1 Nov
- You can prepare and record your videos anytime before the upload period starts. Just make sure to follow the video recording requirements.
- Please make sure to use this matchcode for the eliminations:

2020-09-05

- **The match code for the finals will be provided after the elimination**
- One day before the start of the Tournament, the draws will be published and all participants informed
- A detailed timetable will be published before the start of the tournament on the event page
- Each competitor has to upload and submit the video URL within 24 hours.
- After your submission, your video will be validated in order to make sure it meets all requirements
- Once the videos are validated and approved, the referees will also get 24 hours in order to judge their matches
- This process continues until all the finals are finished on the last day of the Tournament

Video recording requirements

Your video recording must follow certain requirements which are explained in detail here:

https://www.sportdata.org/etournament_howto.html

A sample video can be found here:

https://www.youtube.com/watch?v=GpbGSSlv_4Y&feature=emb_logo

ATTENTION!

If your video recording does not meet the above-mentioned requirements, you may not be able to compete.

4. Video upload

Once the draws are online, each competitor has to upload the video within 24 hours for each round. This gives every competitor the same chance and respects different time zones. In each recording you have to show the Match Image provide on the event page, in order to verify the recording happened in the correct time frame.

You can find a video tutorial about how to submit your video here:

https://www.sportdata.org/etournament_tutorials.html#five

1. Log in with your account
2. Select the event on your dashboard
3. Click on "Open Matches"
4. Click on "My Open Matches" and find the match
5. Click on the upload icon of the match
6. Click on "Upload Video URL"
7. Upload your Video or Provide an URL and click on "Test"
8. Click on "Submit"

You can prepare and record your videos anytime before the upload period starts. Just make sure to follow the video recording requirements.
